

Explore All Your Options

Our Fresh Chilled Variety Meats program appeals to your ever-changing customer needs. Take advantage of this evolution by choosing a high-quality, comprehensive program.

QUALITY AND CONSISTENCY

Our Fresh Chilled Variety Meats program offers popular selections that come in an assortment of options for added flexibility and efficiency. Our process includes a 40-45 minute glycol chill bath at 20-25° F to deliver fresh product. It chills without freezing, providing high-quality fresh meat.

VARIETY AND CONVENIENCE

National Beef Variety Meats delivers a comprehensive offering of popular items to meet your market needs

- **Wide selection** of 11 fresh chilled items
- **Vacuum-sealed packaging** for an extended shelf life of 30 days (18 days for liver)
- **Multiple pack sizes** (2 lbs. to 10 lbs.)
- **Case-ready packaging** offers flexibility and efficiency—driving ease of meat case execution and consumer appeal
- **Ships conveniently** with your boxed beef order

A SUCCESSFUL RELATIONSHIP

When you choose National Beef as your partner, you can be assured of your Variety Meats program's quality, supply, convenience and value. Our ordering, packaging and delivery options make it easy to partner with us.
